**REISSUE APPLICATION DECLARATION AND POWER OF ATTORNEY
BY ISAO SUZUKI**

Sir:

I, Isao Suzuki, declare that:

1. My residence address is _____ Tokyo, Japan.
2. I am a citizen of J  pan.
3. I believe I am the original, first and sole inventor of the subject matter that is described and claimed in United States patent number **6,318,171** ("the '171 patent" hereinafter), granted on **November 20, 2001**, and for which I solicit a reissue patent.
4. I have read and understand the contents of the attached reissue application, including the specification and claims.

5. I acknowledge the duty to disclose information which is material to patentability as defined in Title 37, Code of Federal Regulations, Section 1.56.

6. I believe the '171 patent to be wholly or partly inoperative or invalid by reason of my claiming less than I had a right to claim in the patent. Specifically, a flow rate sensor for detecting a flow rate of a fluid not including a sensor tube guide, was not claimed in the patent.

7. The above-identified error in the '171 patent has been corrected in the attached reissue application by adding new claims 9-20. In particular, claims 9-20 are directed to a flow rate sensor that does not include a sensor tube guide.

8. The above-identified errors in the '171 patent arose without any deceptive intent.

9. I appoint the following attorney(s) and/or agent(s) to prosecute this application and transact all business in the Patent and Trademark Office connected therewith.
